

We Take Care of Family®

Check Us Against the Competition

At Fedelta Home Care, we believe that we are the best in the business at what we do, and we are upfront about our services and policies. We also want you to make the best decision based on the needs of you and your loved ones. That's why we created the Home Care Checklist – so you can see how we compare against other Home Care companies you may talk to.

Below is a checklist of things to keep in mind as you research your home care options:
